

WHY HTA?

BECAUSE OF REPUTATION

Arbitrators and mediators of HTA Commercial Arbitration Center (HTA) are professors, law lecturers, lawyers, managers, and experts in economic fields, with high expertises, experiences, reputations and social prestige. They are well aware of the code of professional ethics, which are the independence, impartiality and objectivity in dispute settlement, forming a prerequisite to build trust in justice among the business community.

BECAUSE OF PROFESSIONALISM

HTA is organized and operated in a professional manner by the Executive Board and the team of Arbitrators and Mediators, who have comprehensive and profound understandings in arbitration and mediation proceedings, supported by the professional, friendly and conscientious Secretariat.

HTA's meeting rooms and working rooms are all standardized and equipped with the best facilities.

BECAUSE OF FLEXIBILITY, TRANSPARENCY AND EFFICIENCY

The Arbitration Rules and Mediation Rules of HTA are in line with international standards, ensuring the best advantage of the arbitration and mediation. The steps of arbitration proceedings and mediation at HTA are conducted in a flexible and transparent manner, bringing the highest dispute settlement efficiency to the parties.

BECAUSE OF REASONABLE FEE

HTA's arbitration fees and mediation fees are highly competitive and publicly posted on the website.
